

CITY OF MERCER ISLAND CITY COUNCIL MEETING AGENDA

Mayor Debbie Bertlin Deputy Mayor Salim Nice Councilmembers Tom Acker, Bruce Bassett, Wendy Weiker, David Wisenteiner, and Benson Wong

Contact: 206.275.7793, council@mercergov.org www.mercergov.org/council All meetings are held in the City Hall Council Chambers at 9611 SE 36th Street, Mercer Island, WA unless otherwise noticed

"Appearances" is the time set aside for members of the public to speak to the City Council about any issues of concern. If you wish to speak, please consider the following points:
(1) speak audibly into the podium microphone, (2) state your name and address for the record, and (3) limit your comments to three minutes.
Please note: the Council does not usually respond to comments during the meeting.

In compliance with the Americans with Disabilities Act, those requiring accommodation for the meeting should notify the City Clerk's Office at least 24 hours prior to the meeting at 206.275.7793.

REGULAR MEETING

CALL TO ORDER & ROLL CALL, 6:00 PM

AGENDA APPROVAL

EXECUTIVE SESSION

Executive Session to consider the selection of a site or the acquisition of real estate by lease or purchase when public knowledge regarding such consideration would cause a likelihood of increased price pursuant to RCW 42.30.110(1)(b); and to consider the minimum price at which real estate will be offered for sale or lease when public knowledge regarding such consideration would cause a likelihood of decreased price pursuant to RCW 42.30.110(1)(c) for 60 minutes.

SPECIAL BUSINESS, 7:00 PM

Fight Crime: Invest in Kids Award for Representative Tana Senn

(1) AB 5415 Volunteer Appreciation Week Proclamation

CITY MANAGER REPORT

APPEARANCES

ADJOURNMENT

CERTIFICATION OF CLAIMS

I, the undersigned, do hereby certify under penalty of perjury that the materials have been furnished, the services rendered, or the labor performed as described herein, that any advance payment is due and payable pursuant to a contract or is available as an option for full or partial fulfillment of a contractual obligation, and that the claim is a just, due and unpaid obligation against the City of Mercer Island, and that I am authorized to authenticate and certify to said claim.

Charles L. Corder Finance Director

Finance Director

I, the undersigned, do hereby certify that the City Council has reviewed the documentation supporting claims paid and approved all checks or warrants issued in payment of claims.

Mayor

CERTIFICATION OF CLAIMS

I, the undersigned, do hereby certify under penalty of perjury that the materials have been furnished, the services rendered, or the labor performed as described herein, that any advance payment is due and payable pursuant to a contract or is available as an option for full or partial fulfillment of a contractual obligation, and that the claim is a just, due and unpaid obligation against the City of Mercer Island, and that I am authorized to authenticate and certify to said claim.

Charles L. Corder Finance Director

I manee Director

I, the undersigned, do hereby certify that the City Council has reviewed the documentation supporting claims paid and approved all checks or warrants issued in payment of claims.

Mayor

CERTIFICATION OF CLAIMS

I, the undersigned, do hereby certify under penalty of perjury that the materials have been furnished, the services rendered, or the labor performed as described herein, that any advance payment is due and payable pursuant to a contract or is available as an option for full or partial fulfillment of a contractual obligation, and that the claim is a just, due and unpaid obligation against the City of Mercer Island, and that I am authorized to authenticate and certify to said claim.

Charles L. Corder Finance Director

I manee Director

I, the undersigned, do hereby certify that the City Council has reviewed the documentation supporting claims paid and approved all checks or warrants issued in payment of claims.

Mayor

SUMMARY

The United States National Volunteer Week was originally created in 1974. In 1991, the week transitioned to Volunteer Appreciation Month as part of the Thousand Points of Light campaign. Each year cities, towns, and communities throughout the United States take the month of April to acknowledge, celebrate, and honor citizens of all ages who contribute time and talent to their communities.

The City of Mercer Island benefits from the generosity and commitment of 289 volunteers who provide their skills and energy to the City's Advisory Boards and Commissions, the Emergency Management Program, the Departments of Parks and Recreation, Police, and Youth and Family Services, as well as the Mercer Island Thrift Shop. Each year these volunteers provide thousands of hours that contribute to the social and economic well-being of the community.

The following five volunteers will accept the Volunteer Appreciation Month Proclamation in honor of the work provided by the City's 289 volunteers and the additional 700 community members who are registered with the Police Department's Emergency Management program:

• Julie Gardner, Emergency Management

Julie Gardner has been a volunteer with the City of Mercer Island for seven years. She spends most of her time volunteering with Emergency Management projects. While volunteering, Julie manages the city-wide emergency management volunteer database, creates City staff and volunteer badges and assists Jennifer Franklin with emergency management plans. If and when the City of Mercer Island activates an emergency management response and shelter is needed, Julie is in charge of those shelter volunteers. Julie is also trained as a Red Cross volunteer and has been deployed as an emergency management worker. Recently, Julie also began volunteering with the Parks & Recreation department. She volunteers with restoration efforts to tackle blackberry removal in Mercer Island parks and open spaces. Julie is a tremendous help to Jennifer Franklin and the City's Emergency Management projects and to the Parks & Recreation Restoration Team.

• John Holm, Thrift Shop

John Holm is a new administrative and cashiering volunteer at the Mercer Island Thrift Shop ("MITS"), a Program of Youth & Family Services. John is a young adult who set a goal to be an integral part of his community and develop some skills that would help to pave his road to employment while attending classes for accounting at BCC. This goal led him to join the MITS last October as a volunteer cashier, working three shifts per week. John has quickly worked his way up to supporting the MITS management team with administrative tasks such as completing cash reports, volunteer onboarding, work study timesheet tracking, and department production and sales data entry—just to mention a few things that he does. His participation in the work of the MITS office has afforded both Suzanne Philen and Logan Ens the opportunity to work on business development projects that increase sales revenue for the department of Youth & Family Services.

• Lynn Meyer, Parks and Recreation Department

Lynn has lived on Mercer Island for 53 years and is now in her 80's. Lynn has always been an active volunteer in her community and beyond. Lynn began volunteering with the Parks and Recreation Department 27 years ago. She has volunteered in varying capacities from forming the Ivy Brigade (a group that pull ivy off trees in Island parks) to fundraising for senior programs and working the Welcome desk in the old Community Center. Lynn continues to be very involved with Senior Programs at the Community Center. She volunteers weekly (on average, 40 hours monthly) with Amber Britton and does everything from volunteering with Senior Social to setting up appointments for the Footcare clinic, recording volunteer hours and doing Meals on Wheels deposits. Lynn also enjoys helping with the Senior Lunch & Conversation Program. She is regularly willing to step in and help, when the need arises.

• Rosella Looney, Youth and Family Services Department

Rosella has been a volunteer on and off with the City of Mercer Island for several years. Originally, Rosella and her daughter Sarah volunteered together once a week with the Mercer Island Food Pantry through the Youth & Family Services Department (YFS). During their shift, they stocked and organized the Pantry shelves, sorted donations in the Pantry storage area and hauled nonperishables from the Pantry storage area to the main floor cabinet spaces. Last summer, YFS had an emerging need for front desk volunteers. We inquired with Rosella to see if she would like to return as a volunteer in a different capacity, and she said yes! Each week, the Youth & Family Services staff count on Rosella to be the friendly face at the front desk who answers questions about services and programs and directs people accordingly, either by phone or in person. And, when there are front desk coverage gaps, Rosella is regularly willing to come in and fill a shift.

• John Bondi, Parks & Recreation Department

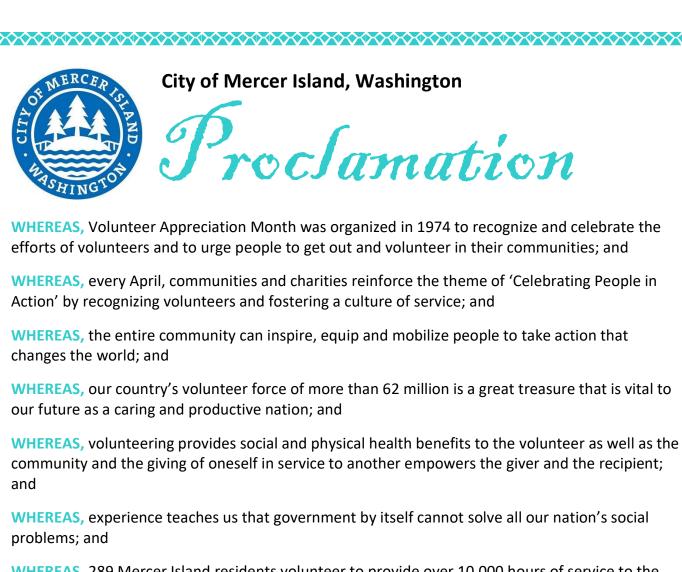

John Bondi has been a volunteer for the City of Mercer Island's Parks & Recreation Department for nearly thirty years. He volunteers five to ten hours each month at Wildwood Park, which is located on 86th Avenue SE on the south end of the Island. For years Wildwood was a neglected open space, but about 15 years ago, a park neighbor, Margaret Amory, initiated an effort to rehabilitate it. She put together a group known as "The Friends of Wildwood Park" and organized regular work parties. Margaret handed this responsibility to John about five years ago, and he has continued to coordinate restoration efforts. The Friends of Wildwood group successfully collaborated with the Parks Department and transformed the space into a beautiful neighborhood and off-leash dog park that is enjoyed by many Islanders. John has loved seeing this area restored. Other than his family and career in medicine and biology, Wildwood Park has been his "next love." This restoration project has also provided opportunities to meet and work with many neighbors. The project started by

Margaret Amory has brought John much joy in retirement. Partnering with the Parks Department has shown that citizen and government can work well together.

RECOMMENDATION

Director, Youth and Family Services

Mayor presents the proclamation and proclaims April 2018 as Volunteer Appreciation Month and invites City volunteers to attend the Volunteer Appreciation Celebration at 4:30 pm on May 14 at the Mercer Island Community and Event Center.

WHEREAS, 289 Mercer Island residents volunteer to provide over 10,000 hours of service to the City's Advisory Boards and Commissions, the Emergency Management Program, the departments of Parks and Recreation and Youth and Family Services and the Mercer Island Thrift Shop; and

NOW, THEREFORE, I, Debbie Bertlin, Mayor of the City of Mercer Island, do hereby proclaim April 2018 as

VOLUNTEER APPRECIATION MONTH

in the City of Mercer Island and I encourage all residents and businesses to recognize and thank the hundreds of Island residents who contribute to the betterment of our community. The City invites volunteers who work with a City department to join us in celebration of your contribution on Monday, May 14, from 4:30-6:00 pm, at the Community and Event Center.

APPROVED this 17th day of April 2018

Mayor Debbie Bertlin

Proclamation No. 219

BUSINESS OF THE CITY COUNCIL CITY OF MERCER ISLAND, WA

THRIFT SHOP STAFFING TRANSITION TO STABILIZE REVENUES		Action: Authorize expenditures to expand the staffing transition of the Mercer Island Thrift Shop.	 □ Discussion Only ☑ Action Needed: ☑ Motion □ Ordinance □ Resolution 	
DEPARTMENT OF	Youth	and Family Services (Cynthia Goodwin)		
COUNCIL LIAISON Benson		enson Wong		
EXHIBITS N/A				
2018-2019 CITY COUNCIL GOAL 2. Maintain QofL/Essential Services				
APPROVED BY CITY MANAGER				
		ENDITURE \$ 59 773		

	Ψ	00,110
AMOUNT BUDGETED	\$	0
APPROPRIATION REQUIRED	\$	59,773

SUMMARY

Beginning in 2016, the Department of Youth and Family Services ("YFS") began to replace work study employees at the Mercer Island Thrift Shop ("Thrift Shop") with regular wage part and full time employees. The switch to this staffing was needed to stabilize employee scheduling and to increase revenues. This Agenda Bill outlines the next step in the process of staffing and revenue contract stabilization for the Thrift Shop.

The Thrift Shop is the largest source of revenue for YFS programs and services. In 2018, Thrift Shop sales are projected to be \$1,672,000, which represents 58% of total YFS Fund resources. Between 1999 and 2012, work study funds reimbursed the City 60-70% of the student employee wages. With federal and state reductions in work study funds over the past six years, along with the low unemployment rate, the availability of work study student employees fluctuated and as a result, Thrift Shop revenues fluctuated commensurately.

The first step in the transition from work study to regular paid staff took place in June 2016 when the City accepted funds from the Mercer Island Youth and Family Services Foundation for a Thrift Shop Staffing Project (see <u>AB 5190</u>). These funds enabled the Thrift Shop to increase the hours of an Apparel Assistant to full time with benefits. Because of this transition to a more reliable staffing pattern the Thrift Shop apparel revenues increased by 13%, resulting in a revenue increase of just over \$100,000 in 2017.

The next step in this staff transition process is to: (1) increase the current .75 FTE Donation Assistant casual wage position to a 1.0 FTE full time position and (2) add an additional 1.0 FTE Production Assistant contract position. The annual cost estimate for the addition of these two contract positions is \$59,773. This figure includes the additional staffing cost as well as the loss of work study reimbursements. The projected

increase in Thrift Shop sales in 2018 from this staffing adjustment is \$125,286, resulting in a \$65,513 projected increase in Thrift Shop net income.

Thrift Shop revenues are monitored on a daily and weekly basis. Should it become clear (within a fivemonth trial period) that the projected revenues do not materialize, the 2017 revenue surplus will be used to cover the proposed expenditures and the staffing will be re-adjusted to balance staffing costs with net revenues.

Volunteers continue to augment the Thrift Store operation and consistently provide for 44% of the staffing support. Volunteers are integral to every aspect of Thrift Shop operations and their duties include sorting and pricing goods, merchandising, cashiering and customer service. There will be no reduction in the Thrift Shop volunteer corps and the Thrift Shop staff will continue to aggressively recruit and train students, volunteers as well as provide a venue for community members with court required community service hours.

RECOMMENDATION

YFS Director

MOVE TO: Appropriate \$59,773 to increase the current 0.75 FTE Donation Assistant to a 1.0 FTE and to add a 1.0 FTE Production Assistant beginning May 1, 2018, both of which will be funded by corresponding increase of Thrift Shop sales.

APPROPRIATION REQUIRED	\$	282,935

SUMMARY

In 1991, three underground storage tanks ("USTs") containing gasoline and diesel fuels were discovered to be leaking into the surrounding soils and groundwater at the City Maintenance Shop. Remedial actions to remove contaminated soil and groundwater near the City Maintenance Shop and the adjacent, down-gradient property at 9555 SE 36th Street ("Site") have been ongoing for many years. Remediation work has been slow and costly. Concentrations of petroleum hydrocarbons, including gasoline and benzene, remain significantly above regulatory requirements set forth in state law under the Model Toxics Control Act (MTCA), chapter 70.105D RCW.

In 2017, the City was approached by the Site owners to explore expediting remediation efforts with the end goal of receiving formal notification of a "No Further Action" letter from the Department of Ecology ("DOE"). The City retained Farallon Consulting, L.L.C. ("Farallon") to review, evaluate, and provide technical support to develop a revised, expedited remediation strategy for regulatory closure.

CURRENT CONDITIONS & NEXT STEPS

Previous remediation efforts including the combined air sparge system, chemical oxidant injections, and operation of the groundwater trench have reduced the contamination. However, residual sources of contaminated soil remain at the Site requiring further site characterization (further defining parameters of the contaminants, such as depth, by taking soil samples). Additional borings and new groundwater monitoring wells are needed to clearly characterize the groundwater and contaminant concentrations laterally and vertically within the soils.

Following site characterization, Farallon will coordinate and perform two injection events (July & December 2018) at the installed wells. PefsulfOx chemical concentrations will be injected at the Site through the monitoring wells to improve chemical oxidation and degradation of the contaminant materials. Farallon will track and monitor the distribution of the persulfate in the groundwater and will complete quarterly monitoring reports for the injections.

Additional work will be required before the City receives formal notification of completion from DOE. It is likely that additional injections will be necessary, followed by two to five years of additional monitoring to demonstrate that the clean-up is complete. Inclusive of this proposed work, the total estimated range of costs to complete soil remediation at the Site is projected between \$455,000 and \$827,500.

To complete the proposed remediation work required through 2018, an appropriation of \$282,935 is needed, funded 50% from 2017 General Fund year-end surplus and 50% from WCIA insurance proceeds. To date, the City has been reimbursed by the City's risk pool, WCIA, for the portion of the remediation expenses related to the Honeywell property (approximately 50% of expenses).

Description	Amount
Budget Approved December 2016	\$62,000
Estimated Total Expenditures - through 2018	\$344,935
Budget Appropriation Needed	\$282,935
<u>Funding Sources</u> WCIA Insurance Proceeds (estimate – confirmation expected by 6/30/18)	\$141,468
General Fund - Year End Transfer	\$141,468

Given the Site topography, proximity to critical areas (stormwater watercourse), and current use of the Site, chemical injections remains the most strategic approach to expediting remediation. The new monitoring wells will be installed utilizing a drilling rig that installs angled-borings. These borings improve access to the Site (previous drilling rigs ran into resistance) and will allow the injections to be directed to the pockets of source contamination, improving degradation of the hydrocarbons.

Upon reaching agreement as to a formalized remediation action plan, the City will resubmit an application into the Washington State Department of Ecology's Voluntary Cleanup Program. The State Remedial Action Grant is a grant funding opportunity that may be utilized to help offset some project costs. The grant process is competitive and not guaranteed and requires having remediation projects included in Ecology's Ten-year Financing Report. Once the project is reentered into the Voluntary Cleanup Program, staff will work with Ecology to determine if the City's remediation actions can be included in the next grant cycle.

This agenda bill requests the funding necessary for required remediation work through 2018. Additional funding for this project will be included as a stand-alone Capital Improvement Project in the 2019-2026 budget process.

RECOMMENDATION

Public Works Director

MOVE TO: Approve the transfer of \$282,935 from General Fund savings to the Equipment Rental Fund and appropriate \$282,935 for soil remediation.
